SEAMLESS INTEGRATION FOR MARITIME EXCELLENCE

Real-Time Vessel Monitoring
Track your fleet with unparalleled precision. LogNav Shipping v. 2.0 offers live location updates, ensuring you're always informed about your vessels' positions.

Automated High Seas Navigation Reporting
Effortlessly comply with the 70% rule. Our software automates the calculation and report generation, simplifying your compliance needs.

Revolutionary CSV Integration
By simply uploading a CSV Manifest File, the platform can process and calculate the journey details in a matter of seconds.

User-Friendly Dashboard
Experience ease of use with our intuitive interface, designed for quick access to crucial information.

TAILORED FOR COMPLIANCE

Stay ahead of regulations with LogNav Shipping v. 2.0. Our sofware is designed to meet the specific needs of maritime shipping companies, ensuring adherence to both national and international maritime laws.

WHY CHOOSE LOGNAV SHIPPING V2.0 ?

Enhanced Operational Efficiency
Streamline your maritime operations for maximum productivity.
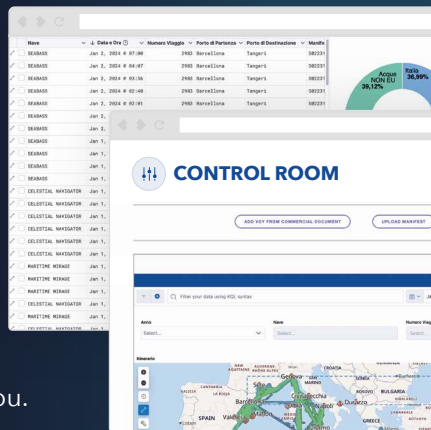

Comprehensive Compliance
Navigate through regulatory complexities with ease.

Support Service
Our dedicated team is always available to assist you.

Customized Reporting
Generate detailed reports tailored to your company's requirements.
